

High Tide...

Heber Main Street business men west to work again this week trying to hold back the rising water from mountain run-off. Robert Taylor (above) of First-Security Bank piles sandbags in an effort to keep water from coming through the front door. Bryce Rappley (right) tries out one of the inflatable boats that were moored in front of Timberline Hardware.

The driver of the Jeep shown above, Kenneth D. Stephens, age 20, of Pleasant Grove, received only minor injuries when his jeep rolled over. This was one of two accidents that occurred on Phoston Hill.

District in 1986-87, and the community education programs. A special session of the 1986 Legislature meeting in May, however, restored \$1.6 million to the appropriation for the adult high school completion program.

The Foundation report observes that a new noncontributory retirement program was established for all state and school employees hired on or after July 1, 1986. Present employees covered by the existing system have until December 31, 1986 to decide whether or not to switch over to the new noncontributory system or to stay with the present system.

The state provides funds to local school districts to pay the employer's share of federal Social Security (FICA) costs, plus the employer's share and most of the employee's share of state retirement costs for local school employees. A total of \$108.8 million was appropriated for 1986-87 to meet these Social Security and retirement obligations.

The study points out that a substantial portion of the new money allocated for education next year will be used to accommodate expanding enrollments. Because of anticipated

tion, and the community education programs. A special session of the 1986 Legislature meeting in May, however, restored \$1.6 million to the appropriation for the adult high school completion program.

Utah State to Present Summer Classes

During the summer, Utah State University will conduct two classes in graduate education at Wasatch Middle School. The first class will begin June 10, at 4:00 p.m. in the Media Center. It will cover the topic, "Current Problems in Secondary Education". The second class will begin in late July and will be an Introductory Computer Class. These classes are especially designed for teachers who are interested in working on a Master's degree or seeking to upgrade current knowledge and skills.

Twin Accidents on Phoston Hill Slows Traffic

On Monday evening, May 26, 1986, two accidents occurred within minutes of each other on Highway 40 between the Midway turnoff and Phoston Hill. No fatalities were reported but several people involved were treated for minor injuries.

The first accident occurred at approximately 5:30 p.m. at the intersection of River Road on Highway 40. A 1982 Datsun driven by Ann Marie Hair, age 22 of Orem, was eastbound to Orem via Heber City with three family members as passengers. An unidentified vehicle pulled onto Highway 40 from River Road, failing to yield to the oncoming Datsun, and forced Miss Hair to either hit the vehicle

stopped to assist the driver and passengers from the car. Officer Blake Wright of the Wasatch County Sheriff's Department arrived almost immediately to control the traffic while Utah Highway Patrol Trooper Jerry Murray investigated the accident and gave assistance to those injured. The victims were transported to Wasatch County Hospital by ambulance.

According to Wasatch County Sheriff's Department, the driver and a passenger, Carol Ann Hair, 24, sustained chest injuries. The remaining passengers, Ruth Hair 15, and Mark Hair, 18, received minor head, neck and shoulder injuries. All were treated and released that evening.

and has information regarding this vehicle or its owner, please call Officer Jerry Murray at 654-2073.

The second accident that evening involved a Jeep rollover between the Peoa turnoff and the Phoston Plant. A vehicle had pulled onto the right shoulder of Highway 40 and several people were standing around the vehicle on the shoulder as a Jeep attempted to pass. The driver of the Jeep reportedly turned to look at the activity and swerved into the loose gravel. The driver reportedly steered the Jeep back onto the road and over corrected, causing the Jeep to roll. Two passengers were thrown out but received only minor cuts and bruises. The driver was not
